Chairman Bruns asked if the property was in another subdivision, and Mr. Girono confirmed it was, noting it is the same applicant as the previous request. Commissioner Goodmon asked who is responsible for policing unpermitted short-term rentals. Chairman Bruns responded that no one currently is. Commissioner Goodmon added that there is a high likelihood that such rentals exist in the City. Alderman Lesh states I don't know that there's anybody that going around policing it, but If somebody gets a notification, I believe that would be coming through any call into the city and it would make its way through now both code enforcement, Mr. Overschmidt, and City Administrator. Girono noted that short-term rentals are required to have business licenses and other approvals, and residents should report any suspected unpermitted rentals. Commissioner Goodmon suggested checking Vrbo listings. Chairman Bruns asked Mr. Girono to review all rentals in Pacific. Mr. Girono agreed and said he would report back at the next meeting.

**Motion made by Commissioner Wymer, seconded by Commissioner Goodmon to Adjourn. A voice vote was taken with an affirmative result.**

SUBJECT: Staff Report – 1505 Cypress Drive  
Conditional Use Permit Application

**PZ-2025-XX: Conditional Use Permit –1505 Cypress Drive.**

**Existing Zoning: R1-A Single Family District**

**Existing Use: Single Family Residence**

**Proposed Use: Short Term Vacation Rental Property**

**Comprehensive Plan Future Land Use: Residential**

This is the proposed conditional use permit for the parcel located at 1505 Cypress Drive (Parcel ID: 19-6-14.0-1-007-090.600) and currently located inside the limits of the City of Pacific. The applicant has applied for a conditional use permit of the parcel for short-term vacation rental in a R1-A Single Family District.

This property lies on Cypress Drive within Hawthorne Estates which is comprised of single-family homes. The home is an existing home that is currently vacant and for sale. Under the zoning code for R1-A districts a short-term vacation rental requires a conditional use permit and that rental must also comply with the regulations under “Section 400.237 Short-Term Vacation Rentals”.

The requested use of a short-term vacation rental within the R1-A zoning district is allowed with a conditional use permit. This would allow the residence to be used as a short-term rental in a single-family residence as required in Section 400.237. This would place the short-term rental amongst many other single-family homes and families within the neighborhood. In a review of the adjacent owners and addresses it appears most of the homes are owned as a residence and there are not many apparent rentals within the immediate area within the subdivision. This could cause concern with surrounding homeowners of short-term vacation rental tenants within their subdivision.

The proposed use is allowed in a R1-A district with a conditional use permit and compliance with Section 400.237. This is a potential short-term vacation rental within a neighborhood of other single-family residences, or long-term rentals, that are not of the same use, we would not recommend approval of the conditional use for the parcel at 1505 Cypress Drive (Parcel ID: 19-6-14.0-1-007-090.600) in a R1-A Single Family District.
